

Irel Kian C. Bacolod

Address: 1939, Purok 5, Brgy. Dita, Santa Rosa Laguna

Email: kianirel56@gmail.com

Contact no.: +63 932-789-3355

OBJECTIVES

I am currently seeking a position where I can apply my existing knowledge and develop my skills in both backend and front-end web development. I am eager to contribute to a dynamic team environment, get hired as either a front-end or back-end web developer, and mutually benefit from collaborative efforts toward shared goals. Additionally, I aim to establish meaningful connections with individuals who share common aspirations and are driven to succeed.

EDUCATIONAL BACKGROUND

Tertiary	:	Polytechnic University of the Philippines Sta Mesa, Manila Bachelor of Science in Computer Engineering 2021 - 2025
Secondary	:	Labas Senior High School (Senior High School) Academic Track Science Technology Engineering and Mathematics (STEM) Santa Rosa, Laguna 2019-2021
		Aplaya National High School Annex (Junior High School) Santa Rosa, Laguna 2015 – 2019

SKILLS AND QUALIFICATIONS

- Has experience in using design and UI/UX software such as FIGMA, CANVA
- Experienced with design tools like Figma and Canva
- Proficient in HTML, CSS, JavaScript, TypeScript
- Skilled in front-end frameworks: React, Next.js, React Native (Expo), Tailwind CSS, ShadCn, Material UI
- Backend experience with NestJS, Express.js, Spring Boot, SLIM (PHP), Sequelize, Spring Security, Supabase, MySQL, and PostgreSQ

- Familiar with Google Maps APIs (Places, Routes, Maps)
- Explored other languages: Python, C++, C#, PHP
- Knowledgeable in Docker, Kubernetes, and REST APIs
- Uses Postman, Swagger UI, Git/GitHub, and CI/CD workflows
- Applies Agile/Scrum methodologies; uses Trello for project tracking
- Strong communication, time management, and teamwork skills
- Bilingual in Filipino and English

WORKING EXPERIENCE

8Box Solutions Inc. (August 2023 – Current)

- Specialize in API integration and front-end development using modern web technologies
- Collaborated with clients to gather requirements and define feature specifications for tailored web solutions
- Contributed to front-end development and API integration for the e-commerce website Buildhub.ph
- Participated in projects for notable clients including SIHI Philippines at UP Manila and UNILAB
- Integrated Google Maps API for TowFactory, a platform for vehicle service management
- Led front-end development for AirCamp PH, a developing listing and booking platform
- Worked as part of the front-end development team for Laro PH, closely coordinating with backend and QA teams

Creotec Work Immersion Program (March 2021 – April 2021)

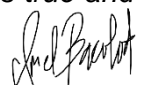

- Develop a simple music mobile app
- Worked as a team leader and part of IT department
